

On October 1, 2024, our candidate, Pavana, took a significant step in her spiritual journey as she entered the Canonical Novitiate. The ceremony was graced by the presence of Superior General Sr. Nirmala Kuriakose, Counsellors, and other Sisters of the Congregation. In a poignant gesture, the Superior General personally presented Pavana with the Novitiate dress, marking the beginning of her formation journey.

I changed "embarked on a significant milestone" to "took a significant step", and "handed over" to "presented" to make the language a bit more formal and polished. I also added "poignant" to describe the gesture, to add a bit more depth and emotion to the description. Let me know if you have any other requests!
